THE UNITED KINGDOM

ACTIVITATE CU TEHNOLOGII   INTEGRATĂ STEAM DIGITALE

PROIECT DIDACTIC AL UNITĂȚII DE ÎNVĂȚARE

Propunător: Corina CEBAN
profesor de limba engleză, grad didactic superior,
Liceul Teoretic „Vasile Alecsandri", Bălți
Ambasador digital al Clasei Viitorului

- ▶ **Clasa**: VII
- ▶ **Disciplina de bază**: limba engleză
- ▶ **Discipline înrudite**: Informatică, Geografie, Matematică, Artă
- ▶ **Titlul proiectului STEAM:** The United Kingdom
- ▶ **Tipul proiectului:** Aplicativ/practic
- ▶ **Scopul proiectuluiSTEAM:**developing the communicative competence by designing a map, measuring the distance and selecting the sightseeings from the United Kingdom and the Northern Ireland in order to enrich the vocabulary on the topic.
- ▶ **Obiectivele proiectuluiSTEAM: At the end of the project, the students will be able**
  - • to think creativelyafter using STEAM methods and techniques;
  - • to estimate the importance of new techniques in the content exploration;
  - • to explore various sights of the country capital in order toproduce a digital poster of a sightseeing tour.
- ▶ **Sarcina de proiect formulată pentru elevi:** Designing a map of the UK and a digital poster with the most relevant sights, using digital tools.
- ▶ **Produsele proiectului:** a map and a digital poster.
- ▶ **Resurse umane:**7th grade students, teacher
- ▶ **Resurse materiale:**whiteboard, smart board, VR glasses, tablets, Internet, textbooks, online dictionaries, charts, spotlight, students` sketches.
- ▶ **Forme de realizare a proiectului**: whole class work, group work.

Argumentul proiectului:

- ▶ **Relevanţa formativă:**The project aims to develop the communicative competence through activities that prove critical thinking and information transfer. The students explore individually and organize the needed information in mind maps, graphics and posters.Using their skills, students compare and contrast the information and present it to the others in a creative way. The sustainability is obvious, as this is the topic that is going to be studied in future grades.

Designul activităţilor de bază desfăşurate în cadrul proiectului

Nr. d/o	Activități desfășurate	Timp de realizare	Modalități de realizare	Responsabil	Resurse
Objective 1. Conducting an exchange of experience.					
	▶ **Etapa de documentare** ✓ Reading the words from the word cloud and trying to make up the motto of the lesson. It is a George Santayana's motto. (Appendix 1) ✓ Announcing the goal of the lesson: exploring the lands of the United Kingdom. ✓ Reminding the known information about the country through a short discussion point.	5 min	Discussion Whole class work	Teacher	Wordcloud Whiteboard Questionnaire
Objective 2: Estimating the importance of new techniques in the content exploration.					
	▶ **Etapa de informare** ✓ Engaging students in the project theme. ✓Estimationof the needed materials and the time required for completig the tasks.. ✓ Elaboration of the action trategy.	10 min	Matching exercise. Individual work. Listening activity. Discussion. Critical thinking exercise	Students Teacher	https://www.liveworksheets.com/fk1569173pz http://www.fromtexttospeech.com/output/032223200161

					2640062/6079 7070.mp3
Objective 3: Developing students` creative thinking using STEAM methods and techniques.					
	▶ **Etapa de implementare** ✓ Researching and testingproducts. ✓ Identifyingthe possible methods and the most suitable way of presenting thesolution. ✓ Making the sugested products – map, chart, poster, satelite pictures. ✓Completing a quiz to prove the understanding of the studied material.	20 min.	Group work. STEAM tasks Individual work	Students English teacher	Whiteboard Google maps Canva.com Google satelite Drawings Pencils VR glasses https://quizizz. com/admin/qu iz/601ed6e6e0 86ff001b1046 b0
Objective 4: Evaluating the final products of the groups.					
	▶ **Etapa de prezentare a produselor finale ale proiectului și de evaluare a acestora** ✓ Dissemination of information. ✓ Evaluation of the final product: • correspondence with the task; • scientific correctness; • the linguistic quality of the presentation.	10 min	Answering the questions Sharing opinions Receiving marks and feedback for class activity	Students English teacher	Rubrics School/ class blog

Match the words with their definitions:

1. to appoint
2. to surround
3. to crown
4. picturesque
5. royal
6. monarch

a) a King or a Queen who reigns over a country
b) to circle, to encircle, to ring
c) belonging to a king, a queen or a member of their family
d) attractive, interesting and unspoiled place
e) to give royal power to
f) to choose someone for a job
